

BCS Helper/Volunteer Program for Groups

Welcome to the Birch Community Services Helper/Volunteer Program! Please contact Warehouse Supervisor at 971.506.5673 or Andrew@Birchcommunityservices.org to make arrangements to volunteer. Make the supervisor aware of any physical limitations you may have that might hinder your helping activity. Your safety is of utmost importance.

Group Requirements

After making arrangements with the BCS Warehouse Supervisor, please arrive at the agreed time.

- Minimum age of volunteers is 14 years old.
- Confirm with WS that the agreed number of volunteers will be present.
- The adult supervisor of your group will sign a Volunteer Release Form for all listed people on group release form.
- Beverages are provided while volunteering.
- An orientation tour will be given. Ask lots of questions!

What to Wear

- Comfortable and ready-to-get-dirty clothes are great! Shoes must cover the entire foot and have good rubber soles.
- Dress for the weather, i.e., in the winter wear warm clothes; in the summer, cool clothes—but no musclemans tank tops.
- Please, no perfume.

Safety

ALWAYS, ALWAYS, ALWAYS give equipment the right of way. NEVER, NEVER, NEVER expect that operators see or hear you. Keep clear of all machinery. The equipment doesn't stop on a dime!

Absolutely no one may operate our power equipment without authorization.

Thanks for helping make BCSI the co-operative operation that it is. As you bless us, we hope you are also blessed by your service.
