

FAQ

FREQUENTLY ASKED QUESTIONS

How does it work?

When you donate to BCS on our CrowdRise page, our partners at StandTogetherAgainstPoverty.com are generously matching donations up to \$1,000 through the end of the year. \$25 becomes \$50, \$100 becomes \$200, and \$2,000 becomes \$3,000...etc.

How long will this be going on?

The StandTogetherFoundation will match donations from now until the end of 2019. After that, we'll still have a CrowdRise page where you can donate however you like.

Can I donate anonymously?

Of course, but we encourage you to leave your name so we can thank you personally. All donations will receive a receipt from the StandTogetherFoundation.

Can I set up recurring payments as I used to on PayPal?

Yes. As soon as you click the donate button, CrowdRise will ask if you want to make this a 1-time donation or a monthly donation. Each recurring donation will be matched until the matches total \$1,000.

CrowdRise charges a fee, will this come out of my donation?

NO. On top of the match, StandTogether will be paying all CrowdRise fees. That means ALL of your donation (plus the match!) will go to BCS.

I usually donate with PayPal or check, can I?

We will still accept PayPal and other donations. Still, we think you might prefer the ease and convenience of donating with CrowdRise.

What if I want to donate through your website?

You still can! When you visit www.bcsi.org/give/giveonline the "Make A Donation" button will now take you to the CrowdRise site.
