Seminar Coordinator*

On Friday, August 11 and Saturday, August 12, 25 people from around the country came together to learn about **Birch Community Services** during BCS's first Replication Seminar. For many years, Barry and Suzanne Birch have been asked about their unique nonprofit program that successfully helps the working poor with a hand up rather than a hand out. After being recently recognized by local and national news shows, so many requests were made for more information

*Focused seminar attendees came from all over the country.*
